

Miss Kathleen Parlow.

We the members of the Woman's
Canadian Club of Calgary,
are delighted to have the priv-
ilege of having Calgary's most
talented daughter with us;
and we are proud that
Canada's greatest violinist
is a woman, and that woman
a native of our own fair city.

It is the purpose of our club
to foster patriotism and in
this instance, nothing could
make us feel more

patriotic than is honor
Calgary's most talented
daughter.

Will you receive this book
as an appreciation of your
visit, and as a memento of
your first public appearance
in your own home city.

Signed on behalf of the
Woman's Canadian Club of Calgary
Beatrice Stuart
President

A. M. Dore, Sec'y.
